- a) Nepal
  - b) Bhutan
  - c) Bangladesh
  - d) Maldives
- 

## **Section B: True or False (1 mark each)**

Write **True** or **False** next to each statement:

- 6. \_\_\_\_ Bhutan is located in the eastern Himalayan mountain range.
  - 7. \_\_\_\_ Nepal is a landlocked country located near the northern borders of India and China.
  - 8. \_\_\_\_ The Maldives is a chain of islands located in the Indian Ocean and famous for its beaches.
  - 9. \_\_\_\_ Bangladesh is a neighboring country with large river systems and fertile land.
  - 10. \_\_\_\_ India shares land and water borders with all its neighboring countries.
- 

## **Section C: Short Answer Questions (3 marks each)**

Answer in complete sentences:

- 1. **Which neighboring country is home to Mount Everest? Describe its location in relation to India.**
  - 2. **What is the importance of shared rivers like the Ganga and Brahmaputra for India and its neighboring countries?**
  - 3. **Which neighboring country is most well-known for its focus on environmental policies and forest conservation? Why?**
  - 4. **Which two neighboring countries have the most similarities in their river-based economies? How do they share these resources?**
- 

## **Section D: Map Skills & Interpretation (4 marks)**

**Instructions: Using the map provided, answer the following:**

1. **Label the following neighboring countries on the map:**
    - Bhutan
    - Nepal
    - Maldives
    - Bangladesh
    - Sri Lanka
  2. **Circle the neighboring country that consists entirely of islands.**
  3. **Find and label the Himalayan mountain range that connects India with Nepal and Bhutan.**
  4. **Using colors, highlight the river systems that connect India with Bangladesh and Nepal.**
- 

## **Section E: Analytical Thinking - Compare & Contrast (4 marks)**

Compare the following two neighboring countries using the chart below. Write 2-3 differences for each category:

<b>Criteria</b>	<b>Nepal</b>	<b>Bhutan</b>
<b>Geography</b>		
<b>Major Economic Activity</b>		
<b>Environmental Challenges</b>		
<b>Population Density</b>		

---

## **Section F: Environmental Responsibility & Action Plan (4 marks)**

**Instructions: Think about shared environmental issues between India and its neighbors and answer the following:**

- 1. Name two major environmental challenges that India and its neighboring countries are facing together.**
  - 2. Write three solutions that could be implemented through cooperation to address these challenges.**
- 

## **Section G: Creative Project - Design a Friendship Initiative (5 marks)**

**Activity: You are the leader of a regional peace program.**

Your goal is to create a new initiative to strengthen peace and friendship with your neighboring countries through cultural exchange, environmental projects, or community-building activities.

Write a short proposal (5-6 sentences) addressing the following:

- The name of the initiative.
  - The goals of the initiative.
  - At least two planned activities (e.g., sports events, education programs, or clean-up drives).
- 

## **Section H: Map Drawing - Shared Resources & Peacebuilding (5 marks)**

**Instructions:**

Draw a creative map showing how India and its neighboring countries share resources like rivers, forests, and trade routes. Include the following elements:

- River systems shared by India and neighboring countries.
- Mountain ranges connecting India and its neighbors.
- Environmental conservation zones.
- Shared trade routes or cultural landmarks.

Write a caption summarizing your map and its key message about cooperation and shared resources.

---

## **Section I: Reflection Questions (4 marks)**

Answer these questions thoughtfully in 3-4 sentences each:

- 1. What have you learned about India's neighboring countries by studying their geography, culture, and environmental issues?**
- 2. What steps can you personally take to contribute to peace and cooperation between India and its neighboring countries? Write at least three actions.**

**BE THE CHAMPION!--**
