

## Table of 152

| Multiplicand | Operation | Multiplier | Result |
|--------------|-----------|------------|--------|
| 152          | x         | 1          | = 152  |
| 152          | x         | 2          | = 304  |
| 152          | x         | 3          | = 456  |
| 152          | x         | 4          | = 608  |
| 152          | x         | 5          | = 760  |
| 152          | x         | 6          | = 912  |
| 152          | x         | 7          | = 1064 |
| 152          | x         | 8          | = 1216 |
| 152          | x         | 9          | = 1368 |
| 152          | x         | 10         | = 1520 |
| 152          | x         | 11         | = 1672 |
| 152          | x         | 12         | = 1824 |
| 152          | x         | 13         | = 1976 |
| 152          | x         | 14         | = 2128 |
| 152          | x         | 15         | = 2280 |
| 152          | x         | 16         | = 2432 |
| 152          | x         | 17         | = 2584 |
| 152          | x         | 18         | = 2736 |
| 152          | x         | 19         | = 2888 |
| 152          | x         | 20         | = 3040 |
