

## Table of 474

| Multiplicand | Operation | Multiplier | Result |
|--------------|-----------|------------|--------|
| 474          | x         | 1          | = 474  |
| 474          | x         | 2          | = 948  |
| 474          | x         | 3          | = 1422 |
| 474          | x         | 4          | = 1896 |
| 474          | x         | 5          | = 2370 |
| 474          | x         | 6          | = 2844 |
| 474          | x         | 7          | = 3318 |
| 474          | x         | 8          | = 3792 |
| 474          | x         | 9          | = 4266 |
| 474          | x         | 10         | = 4740 |
| 474          | x         | 11         | = 5214 |
| 474          | x         | 12         | = 5688 |
| 474          | x         | 13         | = 6162 |
| 474          | x         | 14         | = 6636 |
| 474          | x         | 15         | = 7110 |
| 474          | x         | 16         | = 7584 |
| 474          | x         | 17         | = 8058 |
| 474          | x         | 18         | = 8532 |
| 474          | x         | 19         | = 9006 |
| 474          | x         | 20         | = 9480 |
