

## Table of 485

| Multiplicand | Operation | Multiplier | Result |
|--------------|-----------|------------|--------|
| 485          | x         | 1          | = 485  |
| 485          | x         | 2          | = 970  |
| 485          | x         | 3          | = 1455 |
| 485          | x         | 4          | = 1940 |
| 485          | x         | 5          | = 2425 |
| 485          | x         | 6          | = 2910 |
| 485          | x         | 7          | = 3395 |
| 485          | x         | 8          | = 3880 |
| 485          | x         | 9          | = 4365 |
| 485          | x         | 10         | = 4850 |
| 485          | x         | 11         | = 5335 |
| 485          | x         | 12         | = 5820 |
| 485          | x         | 13         | = 6305 |
| 485          | x         | 14         | = 6790 |
| 485          | x         | 15         | = 7275 |
| 485          | x         | 16         | = 7760 |
| 485          | x         | 17         | = 8245 |
| 485          | x         | 18         | = 8730 |
| 485          | x         | 19         | = 9215 |
| 485          | x         | 20         | = 9700 |
