

## Table of 489

| Multiplicand | Operation | Multiplier | Result |
|--------------|-----------|------------|--------|
| 489          | x         | 1          | = 489  |
| 489          | x         | 2          | = 978  |
| 489          | x         | 3          | = 1467 |
| 489          | x         | 4          | = 1956 |
| 489          | x         | 5          | = 2445 |
| 489          | x         | 6          | = 2934 |
| 489          | x         | 7          | = 3423 |
| 489          | x         | 8          | = 3912 |
| 489          | x         | 9          | = 4401 |
| 489          | x         | 10         | = 4890 |
| 489          | x         | 11         | = 5379 |
| 489          | x         | 12         | = 5868 |
| 489          | x         | 13         | = 6357 |
| 489          | x         | 14         | = 6846 |
| 489          | x         | 15         | = 7335 |
| 489          | x         | 16         | = 7824 |
| 489          | x         | 17         | = 8313 |
| 489          | x         | 18         | = 8802 |
| 489          | x         | 19         | = 9291 |
| 489          | x         | 20         | = 9780 |
