

## Table of 642

| Multiplicand | Operation | Multiplier | Result  |
|--------------|-----------|------------|---------|
| 642          | x         | 1          | = 642   |
| 642          | x         | 2          | = 1284  |
| 642          | x         | 3          | = 1926  |
| 642          | x         | 4          | = 2568  |
| 642          | x         | 5          | = 3210  |
| 642          | x         | 6          | = 3852  |
| 642          | x         | 7          | = 4494  |
| 642          | x         | 8          | = 5136  |
| 642          | x         | 9          | = 5778  |
| 642          | x         | 10         | = 6420  |
| 642          | x         | 11         | = 7062  |
| 642          | x         | 12         | = 7704  |
| 642          | x         | 13         | = 8346  |
| 642          | x         | 14         | = 8988  |
| 642          | x         | 15         | = 9630  |
| 642          | x         | 16         | = 10272 |
| 642          | x         | 17         | = 10914 |
| 642          | x         | 18         | = 11556 |
| 642          | x         | 19         | = 12198 |
| 642          | x         | 20         | = 12840 |
