

## Table of 790

| Multiplicand | Operation | Multiplier | Result  |
|--------------|-----------|------------|---------|
| 790          | x         | 1          | = 790   |
| 790          | x         | 2          | = 1580  |
| 790          | x         | 3          | = 2370  |
| 790          | x         | 4          | = 3160  |
| 790          | x         | 5          | = 3950  |
| 790          | x         | 6          | = 4740  |
| 790          | x         | 7          | = 5530  |
| 790          | x         | 8          | = 6320  |
| 790          | x         | 9          | = 7110  |
| 790          | x         | 10         | = 7900  |
| 790          | x         | 11         | = 8690  |
| 790          | x         | 12         | = 9480  |
| 790          | x         | 13         | = 10270 |
| 790          | x         | 14         | = 11060 |
| 790          | x         | 15         | = 11850 |
| 790          | x         | 16         | = 12640 |
| 790          | x         | 17         | = 13430 |
| 790          | x         | 18         | = 14220 |
| 790          | x         | 19         | = 15010 |
| 790          | x         | 20         | = 15800 |
