

## Table of 116

| Multiplicand | Operation | Multiplier | Result |
|--------------|-----------|------------|--------|
| 116          | x         | 1          | = 116  |
| 116          | x         | 2          | = 232  |
| 116          | x         | 3          | = 348  |
| 116          | x         | 4          | = 464  |
| 116          | x         | 5          | = 580  |
| 116          | x         | 6          | = 696  |
| 116          | x         | 7          | = 812  |
| 116          | x         | 8          | = 928  |
| 116          | x         | 9          | = 1044 |
| 116          | x         | 10         | = 1160 |
| 116          | x         | 11         | = 1276 |
| 116          | x         | 12         | = 1392 |
| 116          | x         | 13         | = 1508 |
| 116          | x         | 14         | = 1624 |
| 116          | x         | 15         | = 1740 |
| 116          | x         | 16         | = 1856 |
| 116          | x         | 17         | = 1972 |
| 116          | x         | 18         | = 2088 |
| 116          | x         | 19         | = 2204 |
| 116          | x         | 20         | = 2320 |
