

## Table of 61

| Multiplicand | Operation | Multiplier | Result |
|--------------|-----------|------------|--------|
| 61           | x         | 1          | = 61   |
| 61           | x         | 2          | = 122  |
| 61           | x         | 3          | = 183  |
| 61           | x         | 4          | = 244  |
| 61           | x         | 5          | = 305  |
| 61           | x         | 6          | = 366  |
| 61           | x         | 7          | = 427  |
| 61           | x         | 8          | = 488  |
| 61           | x         | 9          | = 549  |
| 61           | x         | 10         | = 610  |
| 61           | x         | 11         | = 671  |
| 61           | x         | 12         | = 732  |
| 61           | x         | 13         | = 793  |
| 61           | x         | 14         | = 854  |
| 61           | x         | 15         | = 915  |
| 61           | x         | 16         | = 976  |
| 61           | x         | 17         | = 1037 |
| 61           | x         | 18         | = 1098 |
| 61           | x         | 19         | = 1159 |
| 61           | x         | 20         | = 1220 |
