

Grade 4 Science Worksheet:1 (DifficultyLevel: Intermediate)

Name: _____

Date: _____

Section A: Fill in the Blanks

1. Animals like deer and cows are _____ because they eat only plants.
 2. Birds of prey, such as hawks, use their sharp _____ to tear meat.
 3. A _____ is a long, flexible body part used by anteaters to catch ants and termites.
 4. _____ teeth help herbivores grind their food efficiently.
 5. Omnivores, such as bears, eat both _____ and _____.
-

Section B: True or False

Write *True* or *False* next to each statement:

1. Carnivores have flat teeth for chewing grass. _____
 2. Frogs use their sharp claws to catch insects. _____
 3. Omnivores can adapt to different food sources. _____
 4. A giraffe's long neck is an adaptation for eating leaves from tall trees. _____
 5. Butterflies use their sticky tongues to catch prey. _____
-

Section C: Multiple Choice Questions

1. Which of the following animals is a carnivore?
 - a) Tiger
 - b) Rabbit
 - c) Elephant
 - d) Bear
2. What helps a hummingbird feed on nectar?
 - a) Sharp claws
 - b) Long beak
 - c) Strong teeth
 - d) Flat teeth
3. Which animal uses its trunk to feed?
 - a) Eagle
 - b) Lion
 - c) Elephant
 - d) Giraffe

4. Animals that eat only meat are called:
 - a) Omnivores
 - b) Herbivores
 - c) Carnivores
 - d) Insectivores
 5. What type of teeth do herbivores primarily have?
 - a) Sharp teeth
 - b) Flat teeth
 - c) Curved beaks
 - d) Sticky tongues
-

Section D: Match the Animals to Their Adaptations

Match the animals to the correct feeding adaptation:

1. **Snake**

 2. **Woodpecker**

 3. **Bear**

 4. **Butterfly**

 5. **Shark**

-

Section E: Short Answer Questions

1. How does the beak of a woodpecker help it find food?
 2. Explain how carnivores are adapted to hunt and eat meat.
 3. Why do herbivores need flat teeth to survive?
 4. Describe how a butterfly collects nectar from flowers.
 5. What is one example of an omnivore, and what does it eat?
-

Section F: Creative Thinking

Imagine you are an animal living in the forest. Write two sentences describing your adaptations for eating food in this environment.

Instructions:

- Answer each question carefully using what you've learned.
- Be creative and thoughtful in the creative thinking section.
