

Class 9 Mathematics - Introduction to Linear Polynomials

Name: _____

Date: _____

Easy Worksheet 2

Questions

1. What is the degree of $5x + 3$?
2. What is the degree of $x^2 + 2x + 1$?
3. What is the degree of $4y^3 - y$?
4. What is a polynomial of degree 1 called?
5. What is a polynomial of degree 2 called?
6. What is a polynomial of degree 3 called?

Answer Key

1. 1
2. 2
3. 3
4. Linear polynomial
5. Quadratic polynomial
6. Cubic polynomial
